MINUTE ENTRY

This Court has received Petitioner Joseph Diehl's Motion for Reconsideration of this Court's minute entry of November 5, 2001, and Respondent/State of Arizona's concurrence with the motion. In the minute entry of October 19, 2001, this Court erred in dismissing the Petition for Review filed pursuant to Rule 32.9(c), Arizona Rules of Criminal Procedure directly in the Superior Court. Both parties have correctly pointed out to this Court that the rule has been amended and, unfortunately, was omitted in West's Arizona Rules of Court.

Rule 32.9(c), Arizona Rules of Criminal Procedure, now provides that Petitions for Review and all responsive pleadings shall be filed in the appellate court: the Superior Court.
